*Even in our errors, we should not separate God from God! For all men, the one divine teacher. All men have the same form, all men have the same soul.*

**BAHA'I:** Originating in Persia in 1863 and founded by Bahá'u'lláh, the Baha'i faith stresses Unity: Oneness of God, religion and humanity and believe that all divine revelations are progressive and relative. The followers of Bahá'u'lláh believe he is God's Prophet for the present age and his writings form their sacred Scripture, known as Kitab-i-Aqdas. There are an estimated five million Baha'is worldwide and about 150,000 in the United States.
